Lot 54                      Flock no.                                      Yearling Ram    January 2016 Single

Lot 55                      Flock no.                                      Yearling Ram    January 2016 Twin

Our flock began with the purchase of a lamb at the 4-H premium sale from there is continued to increase in number until it reached 153 ewes. Because our daughter went to college, the ewe numbers have decreased to 85 ewes. We have continued to use registered Corriedales because of their mothering ability.
