

Break the Natural yearling ewe into 2 classes

1. Ewes with a minimum of 1 inch staple and no more than 2" staple
2. Ewes with over a 2 inch staple

All wool on the ewe must be same length - ewes may be tipped or fuzzed off, but not blocked.

No coloring or painting of ewe.

Washing legs is optional.

Hand trimming of tags around legs and dung balls in dock area can be done.

First and second place ewes in each class will be qualified to come out for Senior Champion.

---

Use same rules for the Junior show - junior ewe lamb class (ewes born 1/1/17 or later) - Wool length would be it's current lamb fleece.

---

As far as the wool show:

Keep it simple -

Break it into covered and uncovered fleece with a ewe and ram class in each category.

Fleeces need to be sheared in 2016 or 2017 and no more than a 14 month staple.

Bring fleece on show day for judging and is released sale day.

Fleeces can be sold - indicate if for sale and a price on entry tag at time of bringing it on show day, May 12 at 8:30 am.
