Careful thought should be given to the wording of your proposed membership since sheep can only be recorded under your membership to the identical title under which the membership is issued. When buying sheep and requesting their transfer to you, be sure that the seller uses the identical wording used in your membership.

I wish to use the following initials or name on my ear tags under this membership, in conjunction with the identification number of individual sheep. I understand that because of duplications this cannot be changed without approval from your office.
