**Lot 63 Ram Davidson 16-4
Winter Ram Lamb**
B: 1-13-16
S: WW Sheep Co 1189
D: Dry Creek 1219

This ram brings an interesting mix of WW Sheep Co. and Dry Creek genetics to the table. Long bodied and extended in his front end, he is the fastest growing ram we had this year. He will do a lot of good in anyone's program.

**Lot 64 Ram Davidson 16-16
Spring Ram Lamb**
B: 2-19-16
S: Marshall 4-85
D: WW Sheep Co 853

Our two ram entries couldn't be more different. This young lamb won't be the biggest upon maturity but he is thick topped, level hiped and as smooth made as they come. He is sired by Marshall 4-85 that was Champion in the Open and Junior Show at Ohio State Fair last year. His twin sister is in the show flock this year.

**Lot 65F Ewe Davidson 16-10
Winter Ewe Lamb
Futurity Nominated**
B: 1-18-16
S: WW Sheep Co 1189
D: Davidson C12-12

If this ewe wouldn't have come with a twin sister she wouldn't be leaving the farm. An up headed ewe with style to burn. She goes back to a Great ewe family that is the heart of our program. She will be 1 of 2 lambs to leave our farm. With Crawford & WW genetics this is a ewe that will produce.

**Lot 66F Ewe Davidson 16-22
Spring Ewe Lamb
Futurity Nominated**
B: 2-24-16
S: Marshall 4-85
D: Davidson E14-9

This ewe is sired by Marshall 4-85 and goes back to WW Sheep Co. and Wall on the dam side. Very few ewes that go back to WW Sheep Co. 1189 have left the farm with this being our first consignment we wanted to bring the best we could. All entries will have DNA results on sale day.

Remember the "little" Richins twins??? They aren't so little anymore! Congrats to Richard & Helen Osmond on the success of your grandsons Mason & Braden!

AND ON THE 9th day after God made a Farmer

God looked down on his planned paradise and needed someone to show off his prized creations.

So God made a stockshow kid

He needed someone also that would get up before school, feed, exercise, and groom his show animals and then do it all over again after school in the heat, the cold the driving rain and blowing snow.

So God made a stockshow kid

God said I need someone who will set an example for other young people. Someone who'd be on the honor roll, play sports, play music, be involved in their church.

So God made a stockshow kid

God said, I need someone who will set a standard, who will teach a lesson about being a humble winner and a gracious loser. Someone who will travel all night, stay up all day and be ready for the show ring in five minutes.

So God made a stockshow kid

It had to be somebody that when I ask would shear a lamb, fit a steer, show a pig or a goat for a friend. That knows how to change a flat, back a trailer and asks for nothing in return.

So God made a stockshow kid

Someone who would bond a family together, as parents gaze across the show ring with a laugh, a sigh, and sometimes a cry and with a smile in their eye, and then reply, you're just like me, doing what mom and dad did.

So God made a stockshow kid

To our ARSBA Junior Members from Texas: Anthony, Haley, Joshua, Caleb
Congratulations on an amazing show season and good luck at Nationals.

♥ Your MM

**Boyer Rambouillet
2016 Farewell Tour**

Back in the mid-fifties, my grandfather gave me my first Rambouillet ewe lamb. In 1965 I traveled to Utah State University and the University of Wyoming to purchase my first registered Rambouillets. In 1980 I attended my first National Show and Sale and have not missed one since then until last year. There is something special about sheep and I love Rambouillet sheep but more important I cherish the many friends we have made over the years and the wonderful memories. We express our gratitude to all those we have had the privilege of working with over the years. Our children have wonderful memories of traveling to and showing at the Nationals. Michelle led the way, followed by Shane, Jeremy, Rhiannon, Austin and now Maren who will show at her last National in Pipestone this July. The time has come to pass the torch on to Casey and Kristen Earl & Legacy Sheep Company.

We look forward to seeing you all one more time in July!

“Hello,” from the wet state of Texas! Hope everyone had a great school year. I know I did, and I am excited for my senior year, but not before I enjoy a little bit of summer fun! As the National show draws near I get more and more nostalgic about how much this organization and the people involved mean to me. Especially these past two years while serving as your president. Sadly this is my last year as president. I am looking forward to passing the gavel to my successor. So if any of you have an interest in a leadership role with the junior association be sure to speak up at Nationals before we hold elections. I am looking forward to the many fun activities we will have throughout the week of the national show. If you have any suggestions on games or activities that you would like me to include, you can contact me at 254-722-9245. See you soon in Pipestone, Minnesota.
