# FROM THE DESK OF THE PRESIDENT

Greetings All,

Spring has almost sprung here in the north country, which means we can have at least two more blizzards. Hope all went well for those getting done with lambing and best of luck to those getting started. We had very good representation of the Rambouillet breed at the Texas majors the last couple of months. Congratulations to the youth on their accomplishments for all their hard work. Which means that sale season is upon us again. The Big Ohio Sale entries are due the end of March already. Midwest stud ram entries will not be far behind it seems.

We will be having an association sponsored online sale this year sometime in early June. Robbie will be passing along information on that as things get finalized. Things for the National Show and Sale in Springfield, MO are coming along on schedule. Speaking of the National, I would like to take a moment to speak about the meeting. It seems in past years that things get brought up at this meeting that cannot be dealt with because it needs to be researched or discussed at more length than our meeting allows time. My challenge to you is if you have something you want to bring up for discussion, let's get it out beforehand so people have time to work on it. I feel this is the only way we are going to get things settled properly and not pushed off to a later date. I would recommend contacting Robbie or myself with these items so they can get in the hands of the directors and be talked about so we can have an informed discussion at the meeting. I wish everyone well and a prosperous sale season.

Your President

## Secretary's Notes

Robbie G. Eckhoff

Greetings from the office of the ARSBA! 2022 has arrived and we are off and running in a new year.

We are excited for a new year and the opportunities it brings. At the moment, sheep of all classes are selling extremely well in price. Some of us are under severe drought conditions, and with a little moisture, it can be a wonderful year for the sheep industry.

As you noticed on the front page, we will be back in Springfield, Missouri for the 2022 version of the National Rambouillet Show and Sale. Springfield is a wonderful town with superb amenities for those of all ages. In addition to the in person event, as you can see to the right, we will also be having an online sale in early June for those that cannot make the in person event. This gives our membership two opportunities to market their sheep through an association sanctioned sale.

We want to remind all Junior Members that they must have their dues paid to exhibit in the National Junior Show as well as be a potential candidate to receive an ARSBA scholarship.

In addition, it was decided in the 2021 meetings to modify the schedule for 2022. Here is the most important part: **In order for you to have your entries in the 2022 National Show & Sale catalog, they must be in my hands by May 1, 2022. NOT POSTMARKED BUT IN MY HANDS VIA TRADITIONAL MAIL! NO EXCEPTIONS!** In addition, entries will not be accepted until entry fees are paid in full. As time goes on people have been getting more tardy in getting those entries in, and we need to get those catalogs done and out to our prospective buyers, and that date is what works best to meet our goals.

The same structure on entries will be applicable to the online sale entries as the in person show and

sale. Those entries will be due on May 1, 2022 with the same age sheep being allowed to sell in the online sale. Separate entry forms will be up on the website in the coming days for both events.

Below are two additional hotels in the area of the fairgrounds if you would like to look at additional accommodations for the week. We look forward to seeing all of you in Springfield in June.
