

Greetings friends of E Mt Zion Church!

I recently received a note from the Conference Treasurer that I wanted to share with you:

I too want to thank each of you for your faithfulness and generosity. Were it not for you living out your pledge to support the church by your prayers, presence, gifts and service, Mt Zion could not have paid both district and conference apportionments in full, as well as supported several local caring ministries. Many people, most of whom we will never know personally have been blessed by your generosity.

God's richest blessings,

Pastor Dave
