KHSI Registry will determine if name is in use and respond to breeder by email and/or writing within 21 working days of request indicating whether name is already in use. The cost of “Naming a Sheep” is \$50. Note that the maximum number of characters is 18 including spaces.

If approved, name will be held for 45 days to allow for payment and mail movement. Within 45 days of mailing of notification of acceptance of the name, KHSI will need to have \$50 to keep the name reserved. No other breeder will have access to that name until the 45 days are up. A new certificate will be issued within 14 days of the receipt of the \$50 for “Naming of the Sheep”
