Here She Is! Anyone who has followed our genetic families knows G Matthews 915 is the cornerstone of our flock. This is the 1st female to ever sell dammed by 915 in a public auction. She was a ringside favorite and had a lot of folks talking at the 2017 All American Jr. Show where she stood 3rd in class, also an anchor in our 2017 Premier Exhibitor Flock at Ohio, Indiana, & Kentucky State Fair this summer. This one needs to go straight to the donor pen! This Yearling Ewe is sired by Schakel 1510, our class winning Yearling ram at the 2016 NAILE, who also just so happens to be sired by a 915 son. Schakel 1510 is a son of 'Cherry Wine' Schambow 365 our 2013 National Champion Ewe at NAILE. Schakel 1612 will be bred to '30 pack' Spilde 228 a 'Thousand Island' son dammed by 'Carrot Top's' twin sister. '30 pack' was purchased off the farm this spring from Spilde's, and he went on to be Res. Champion Ram at 2017 Ohio State Fair, and Grand Champion Ram at both the 2017 Indiana & Kentucky State Fairs. She's RR, '30 pack' is RR...you'll be getting RR offspring with a pedigree stacked full of purple banners. Schakel 1612 is a full sister to 'Girl Crush' our very popular, and very successful fall ewe lamb we campaigned this summer. Stop by and take a look at her for yourself, you'll be seeing this one in pedigree's for years to come. Visit our Facebook page @MillenniumFarmsIN to view pedigrees and photos of this female and our Tunis flock.

B- 3/31/17 TW RR
S- Riverwood 6399
37053
D- Schambow 492
35791

Our late March ewe lamb for the open show at NAILE. Don't let her young age fool you -- this ewe lamb is a standout! She's extended in her front while maintaining a lot of thickness down her top, good depth of rib, and levelness out over her hip. Riverwood 6399 is a "LEG-OH" grandson whose mother is Riverwood's 2014 National Champion Ewe. Schambow 492 is a "Big Ten" daughter dammed by "Eye Candy", our 2012 National Champion Ewe. It's not everyday you find a female offered for sale whose maternal and paternal grandam's were two different National Champion Ewes.
