# IMPORTANT INFORMATION

## Registrations - Regular and Summer Registration Rates:

Registration application forms are sent back to the breeder along with the registry certificates. You may also register on-line or retrieve an application form from our website: [www.montadales.com](http://www.montadales.com). If you are registering lambs which have been sold, indicate the name and address of the new owner on your registration application and enclose the transfer fee in addition to the registration fee.

Registrations postmarked between June 1 thru August 31 incur double rates. To avoid these double rates, make sure to send your work in prior to June 1st or after August 31st. If you request your work to be returned **Rush** it will be sent via Fed Ex and you will be charged an additional \$25. for this service. We cannot guarantee that work received less than 7 days prior to the time it is needed can be processed.

## Transfers:

All transfers must be mailed in and paid for by the seller. Send only the top part of the original certificate of registry and fill out the transfer information on the reverse side of the registry certificate. Keep the lower extended pedigree (*Private flock copy*) for your records. You may copy it or give it to the new owner if you wish, but it is strongly recommended that you keep a copy for your files. It is the responsibility of the Seller to send in transfers for processing. Do not hand papers to the buyers even if you give them money to pay for the transfers.

If you have lost a paper for a sheep you have sold, you may request a duplicate which will be returned to you for completion of the transfer information. You can then send it back to the association office for the transfer processing. In this case, you will pay both a duplicate and a transfer fee.

## Annual Dues:

Annual dues are payable in January at the rate of \$20 for Seniors and \$10 for Juniors (*juniors are age 20 or younger on January 1st*) If paid February 1st or later the rates are \$30 and \$15 respectively. *Exception:* New members who purchase Montadales may join the association anytime within the year for the January rate. New members who purchase Montadales after September 1st and pay dues will have their dues credited to the following year. Members are expected to pay annual dues even if they are not registering sheep in a particular year.

Farm names or *and family* entities are considered Senior memberships and require annual dues at the Senior rate. Only current Senior members receive ballots for the election of candidates to the Board of Directors.

## Duplicate Certificates:

The fee to replace a lost or damaged certificate is \$5. No change in ownership or other information on the certificate will be made.

## Corrected Certificates:

For change of ownership names within a family or to backdate a paper for fall classes for show purposes, the fee is \$10.

## Payments:

All work should be accompanied by the correct payment in the form of a check, money order. Payment for work faxed or E-mailed to MSBA must be paid thru PayPal on the web-site: [www.montadales.com](http://www.montadales.com).

If you make an error in addition, your work will be processed and you will either be billed or receive a credit. If you receive a bill, you are expected to pay this in full within 30 days. Charges of \$2.00 per month will be assessed for accounts receivable more than 30 days past due.

If you have overpaid for your work, you will receive a credit on your account.
