At entry time, this lamb is more impressive than our 1st Place entry from last year that went on to win several shows including a Reserve Supreme Championship. According to the buyer, one judge said it was the best Rambouillet ewe he had ever seen.

What a chance to own a breed building female here. Bauck 8-32 is a twin to the '09 National Champion Ewe. This lamb was raised a triplet and the 1629 lambs are later developing, so this girl is just beginning to reach her potential.

Mother raised twins in January and bred back for this great ram. DDF 7-79 is sired by 3-74, the Frey ram on the 3074 daughters exceeded all our expectations.
