Comments:

All Bucks entered must be Fullblood...and consignors must enter at least one Fullblood Doe for each Buck entered. No restrictions on the number of Fullblood Does or Registered Percentage Does. We would prefer one Fullblood Does for each 3 or 4 Percentage Does entered.

All entries must be Registered, however, due to the early entry deadline, entries will be accepted on an "Information Sale Day" basis. This is, of course, necessary, especially for any Spring kids. Just make sure you have your entries registered and those papers with you at Sale Time.

*(Feel free to photocopy this page for additional entries)*
