## SALE NOTES

1. Terms of sale: CASH sales are to be settled before moving animals from the facility. **If purchasing sheep for other individuals, you MUST HAVE ALL INFORMATION FOR THAT INDIVIDUAL at the time of buyer registration as well as payment in hand at the time of sale and before removing animals from the facility.** Phone & mail bids will be accepted with approval 21 days prior to sale day. All purchases must be settled with clerks immediately and before sheep are removed from premises. The auctioneer's decision is final on any disputed bids. All sheep purchased on order must be paid within FIVE (5) days of the sale. A 20% handling fee will be added to any mail bids not paid within five days of the sale. In addition, a 25% surcharge will be assessed to any non-sufficient funds check issued. Buyer shall be responsible for any and all costs of collection, including any associated banking fees, attorney's fees, mail fees, etc.

2. If a buyer needs registration papers immediately, they will be responsible for all transfer and postage fees associated with the transfer of the animals, and those fees must be paid immediately.

3. Each consignor as well as each buyer will be responsible for shipping arrangements of sheep purchased on order.

4. Neither sale facility, sale management, sale sponsors nor consignors to the sale assume any risk or liability in case of accidents of any kind or losses to any person or persons in attendance during the duration of the National Show & Sale week.

5. Please refer to the state of destination health requirements as well as any other health requirements for states traveling through either to or from the sale. Please have your veterinarian refer to the latest Texas Animal Health Commission Rules and Regulations. That is the responsibility of both the consignor as well as the buyer and **not the ARSBA**. In addition, please adhere to all health regulations as stated on the ARSBA website concerning health requirements for the State of Texas in addition to having your veterinarian verify all Texas health requirements.

6. In age divisions that have 16-21 entries, the top 60% of placing animals will sell in the order they place in. The remainder will sell as random draw. In divisions with 22 or more head, classes will be split by odd and even lot numbers, with 5-6 animals selected out of each group which will be brought back to be placed. The remainder of animals will sell as random draw. There will be a non show class as well as show class for each age division, with the exception of the Tested Yearling Rams. Non show will sell random draw.

8. **"F"** AFTER THE LOT NUMBER INDICATES FUTURITY NOMINATED! An X after the lot number or the term SUB after the lot number designates that animal is a substitute entry.

9. Buyer numbers will be used for purchase. A valid photo ID will be required to register.

Big Time Stud!!! This RR stud is out of Urban Legend, the 2023 National Junior Champion Ram, and his dam was the 2021 Reserve National Champion Ewe. Not only is his genotype filled with national champions, but his phenotype is just what we want in our program. He is stout, massive boned, square hipped, extended through his front and has a nice uniform fleece. If we had more ewes, he would never leave the farm. Watch our Leib

Livestock Facebook page for updates and current pictures of our entry.
